## About the programme

Wildlife is invaluable. We have been associated with it for several reasons including ecological, aesthetic, economic, social, tourism and so on since time immemorial. Unfortunately, our precious wildlife is under immense pressure as the health of our ecosystems is deteriorating more rapidly than ever. Consequently, we urgently require sessions and drives on public awareness and informal education for the conservation of the wildlife.

To play our role in this direction, the Department of Zoology and Environmental Science, Gurukula Kangri (Deemed to be University), Haridwar, Uttarakhand is going to celebrate the 'Wildlife Week' during **04-08 October 2021**. This event shall consist of several activities for the participants of different age groups such as:

- (I) Deliberations by the experts on the subject concerned
- (ii) Essay Competition
- (iii) Poster Competition
- (iv) Making of Short Videos
- (v) Speech Competition

The winners will be announced/ awarded with the 'Certificate of Merit' on **08.10.2021**. We request all of you to become an active part of this event and encourage others (especially students) to participate in the same.

## Instructions to the participants

### General instructions:

1. Only one entry per participant is allowed.
2. The decision of the judges will be final.
3. The top three participants will be rewarded with prizes.
4. All participants will get an e-certificate.
