**Report of**

**G20 National workshop on "Research and Innovation"**

**27 Feb 2023**

National workshop on Research and Innovation was organized in hybrid mode (online and offline) on 27 Feb, 2023 at 11 AM-2 PM. A total of 100 Participants were present during the workshop.

The online event was started by Mr. Mayank Pokhriyal with google meet link https://meet.google.com/uud-xngw-dsx. Dr. Suyash Bhardwaj welcomed all the participants and gave a brief introduction about the speakers.

Prof. Mayank Aggarwal, Head , Dept. of CSE, FET, GK(DU), Haridwar shared his views on the Research and Innovation. He told every researcher should work in collabroration with different laboratory around the globe for research advancements and commercialize his product.

Mr. Deepak Painuli, Assistant professor, CSE delivered his talk on journal scope and validation on UGC care, web of science and Scopus. He talked on How one can search the relevant journal for his research area. Ms. Kanika Agrawal delivered his talk on Latex. She shared the link from where the software can be downloaded. She gave hands on training on the software. Mr. Vivek Arya delivered his talk on Patent drafting and application process. Mr. Atul Varshnay delivered his talk on How to write a research paper. He highlighted each and every section required in writing a manuscript. He focused on novelty of work is to be mentioned clearly while writing the manuscript.

All the speaker gave answer to all relevant query raised by the participants. The session ended with Shanti path.
