

Google Developer Student's Club (GDSC) Meeting Report

Date: 7th August 2023

Venue: O.S.H, F.E.T, GK(DU)

The Google Developer Student's Club (GDSC) meeting was successfully conducted on the 7th of August 2023, exemplifying a virtuous gathering. The event garnered enthusiastic participation from numerous students, accompanied by esteemed guests including our Head of Department, Dr. Mayank Aggarwal, and Dean, Dr. Vipul Sharma. The event commenced with the facilitation of Dean Dr. Vipul Sharma by Anshuman Rath, who expertly anchored the proceedings. Dean Dr. Sharma shared his insightful words of wisdom and extended his blessings to all attendees. Following the opening remarks, Anshuman Rath introduced the distinguished special guest of the event, Mr. Chirag Patel. Chirag sir, an esteemed alumnus of GK(DU) and former GDSC facilitator, engaged the audience with an enlightening discourse. He provided an overview of GDSC, elucidating its purpose and the benefits of being a part of this dynamic community. Mr. Chirag Patel emphasized the significance of hackathons as transformative learning experiences. He underscored that refraining from participating in hackathons due to perceived lack of preparation is a personal limitation. Emphasizing that "Participation" is the key to growth and learning, Mr. Patel urged students to seize every opportunity to learn and develop in the right direction. He also elaborated on how GDSC can empower participants and broaden their horizons. Continuing the event's momentum, Anshuman Rath introduced Mr. Ashish Madhup as the GDSC lead for the academic year 2023-24. Mr. Madhup eloquently introduced the club's vision, objectives, and future aspirations. He extended a warm invitation to all attendees to actively engage in the club's activities. Mr. Ashish Madhup introduced the dedicated technical leads who will spearhead GDSC initiatives in 2023-24:

1. Anshuman Rath - AI-ML Lead
2. Shashwat Gupta - Outreach Lead
3. Ankit Parida - Application Development Lead
4. Rahul Raj – UI/UX Lead
5. Aditya Sathwik Dasari Venkata – Web Development lead

These leads passionately encouraged students to join their respective teams, fostering a collaborative environment for development, competitive challenges, and hackathons. Mr. Sumit Bansal, the GDSC coordinator, elucidated the importance of hosting events and active participation. He highlighted the collective responsibilities of students to contribute to the success and growth of the club. The event culminated with closing remarks from Dr. Mayank Aggarwal, the Head of the Department. Dr. Mayank shared words of appreciation and offered valuable advice to the students. The event concluded on a harmonious note with a "Shanti Path" invocation. The GDSC meeting on August 7, 2023, proved to be an inspiring platform for students to engage, learn, and collaborate within the realm of technology and development. The event's insightful speeches, introductions, and motivational addresses left a lasting impact, fostering an atmosphere of learning, growth, and camaraderie among the attendees.
