ADVERTISEMENT

One purely temporary position (Junior Research Fellow) is required for UCOST-funded project entitled "Bioefficacy of certain bioactive components of *Sida cordifolia* L. and *Bacopa monnieri* (L.) Pennell against foodborne bacteria".

The candidate should bear the degree of M.Sc. (Botany/Microbiology) with some research experience. The initial appointment will be for one year which can be extended for another year depending on the performance of the candidate. The interested candidates should attend the walk-in-interview on 10-04-2021 at 10:30 am. In the department of Botany and Microbiology along with curriculum vitae consisting of academic record, work experience testimonial, etc as per rules.
