CAOC in collaboration with the **Internshala** has invited online applications for **internships** on its official website. UG and PG students are eligible to apply for the internship.

Students can choose their **internship** across all major domains such as Management, IT, Electrical, Electronics, Mechanical, Software Development etc. Students can also choose short duration internships (ranging from 1 to 3 months).

Interested and eligible students can register through the link (**https://trainings.internshala.com**) for online internship's opportunities. The registration is free of cost.

The portal offers more than 6000 work from home **internships**. Some internships offer a paid stipend and certificate.

CAOC never promote any kind of commercial involvement in any process. In the case of any fee or charge involved in offer at any stage, students are free to accept or reject the offer.

For more details about Internshala and its offering, please visit its official website i.e. **www.internshala.com**
