

### **Alumni Interaction Program on 14 August 2018**

An alumni interaction program was held at FET on August 14, 2018. Mr. Nitesh Rai who passed B.Tech CSE in year 2016 and is currently pursuing M.Tech in IIT, Roorkee interacted with the students of CSE II year to motivate them about careers after B.Tech and also introduced the importance of self-study, technical aptitude. He also encouraged students to prepare for competitive exams from now onwards. Students of CSE II year attended the program with great enthusiasm and asked many questions related to training and placement. Mr. Suyash Bhardwaj organized this program and felicitated the invited speaker with a memento.
