

## Alumni Interaction Program, September 17, 2018

Department of Electrical Engineering organized an Alumni Interaction Program on September 17, 2018. Mr. Aditya Shandilya, EE (2011-2015) currently posted as Assistant Conservator for Forest (MP-PCS) Shivpur, M.P. interacted with students and encouraged them to prepare for civil services, and maintain a distance from social media. He also told the students to manage the time for preparation along with studies and focus on the career. Dr. Sunil Panwar, Dean, FET, GKV and Mr. Gajendra Singh Rawat, I/C Electrical Engineering, presented a memento to the invited guest.
