

## Google Developers Students Club Activities

### Workshop on Cloud Computing on September 30, 2019

The Google Developers Student Club (DSC) of FET organized Cloud Computing Workshop on September 30, 2019. The workshop involved the interaction with Nikhil Raichur, india community program manager through skype call and the hands on practice of cloud setup using Qwiklabs tools by google. The students from second and third year participated in the workshop. Mr. Sumit Bansal and Mr. Vipin kumar from the department coordinated the event.
