

## **Invited Talk on Career after B.Tech on September 18, 2019**

Department of Computer Science and Engineering organized an invited skype talk on career in Computer Science & Engineering after B.Tech. It was great pleasure to hear Mr. Rajat Agarwal, Ex Software Developer with Nvidia, the talk was for about one and half hour, in which lot of career oriented discussions were carried out. He told us how to prepare for the placements and the importance of personality development. He also discussed about many coding competitions and how to prepare for them. He also discussed opportunities in Higher education. Students of first and second year attended it in huge number. Mr. Namit Khanduja and Mr. Sumit Bansal of Department of CSE, FET coordinated the event.
