

## **Workshop on C Programming on August 30, 2019**

A workshop on C Programming was organized in the Department of ECE in collaboration with CETPA Institute Roorkee on August 30, 2019. Students of ECE III Sem participated in the workshop and brushed up their skills in C Programming, they were also made familiar with c programming for embedded systems and how to implement the protocols in c programming. The workshop was appreciated by more than 50 students of ECE III sem. The workshop was coordinated by Dr. Suyash Bhardwaj of Department of CSE.
