About Gurukula Kangri (Deemed To Be University)

Gurukula Kangri (Deemed to be University) was founded on March 4, 1902 by Swami Shraddhanandaji with the sole aim to revive the ancient Indian Gurukula System of education, on the bank of Ganges at a distance of about 6 km. from Hardwar and about 200 km. from Delhi. This institution was established with the objective of providing an indigenous alternative to Lord Macaulay’s education policy by imparting education in the areas of Vedic literature, Indian philosophy, Indian culture, modern sciences and research. It is a deemed to be university fully funded by UGC/Govt. of India. Arya Samaj has been advocating women’s education since the day it was founded. As part of its policies for the upliftment of women in the country, Kanya Gurukula Campus, Dehradun was established in 1922 by Acharya Ramdevji as a second campus of women’s education. To give real shape to the dreams of Swami Shraddhanandaji, Kanya Gurukula Campus, Hardwar was established in 1993.

About Equal Opportunity Cell

Gurukula Kangri (Deemed to be University) was founded by Swami Shraddhanand Ji following the rules of Arya Samaj with the sole aim to revive the ancient Indian Gurukula System of education. He played pivotal role in resuscitating concept of consolidation, organization, purification and promoting knowledge. Henceforth, it is imperative to be the torch bearer of creating awareness on the concept of equal opportunities to one and all; irrespective of gender, ability, socio-economic background, caste, religion or language. Arya Samaj believes in following the vedic system based on qualifications and virtues of the individual instead of a system of caste by birth. Our nation is known for its diversity as well disparity amidst several sections of our society prompting us to devise a stratagem for inclusive progress of every individual in the society. Equal Opportunity Cell is one such indoctrination which entail interactive sessions and promulgation of equality among all the stakeholders of society; prominently the students, staff and faculty. It is an effort to inculcate, counsel and empower the nation builders to realize their potentials and incorporate them in to the mainstream of society enabling them to contribute with their best skills in progression of the society and ultimately our Nation. An access to all pedagogical and extra-curricular resources promotes inclusivity and harmony preventing students from not being deprived of their rightful opportunities.

About Student Counseling Center

Counseling is a process that aims to facilitate personal well being of the students by providing them support and guidance to ensure their social and psychological well-being. Gurukula Kangri, a renowned University established by Swami Shraddhanandji is first to practice ‘Garbhast Parampara’, where students are considered as a member of Gurukula family and taken care of by the teachers and co-ordinators of the University. This parampara was started in order to make students feel homely and share their views, thoughts, etc.

without any hesitation. Student Counseling Cell is one such initiative by our University that aims to provide counseling to students by trained counselors confidentially and encourage them to learn and understand themselves. Students are free to share any kind of issues viz. personal, emotional, social, family, peer, academic, etc. which are taken into consideration and cinched to resolve by the Cell. Student Counseling Cell expedites optimistic attitude development in the students, helps in enhancing listening skills helps student build healthy social and interpersonal relationships, develop empathy, promotes decision making capability, reduce stress and nevertheless helps students to understand their own potential and cope with day to day problems. Student Counseling Cell not only resolves academic issues of the students but prepares the students psychologically to face the world outside.
