## Insights from round:

Average

11.08 / 15 points

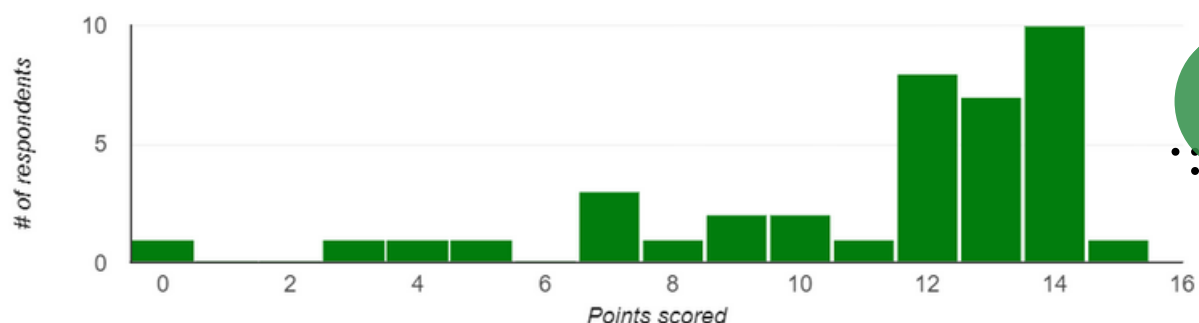

Median

12 / 15 points

Range

0 - 15 points

Total points distribution

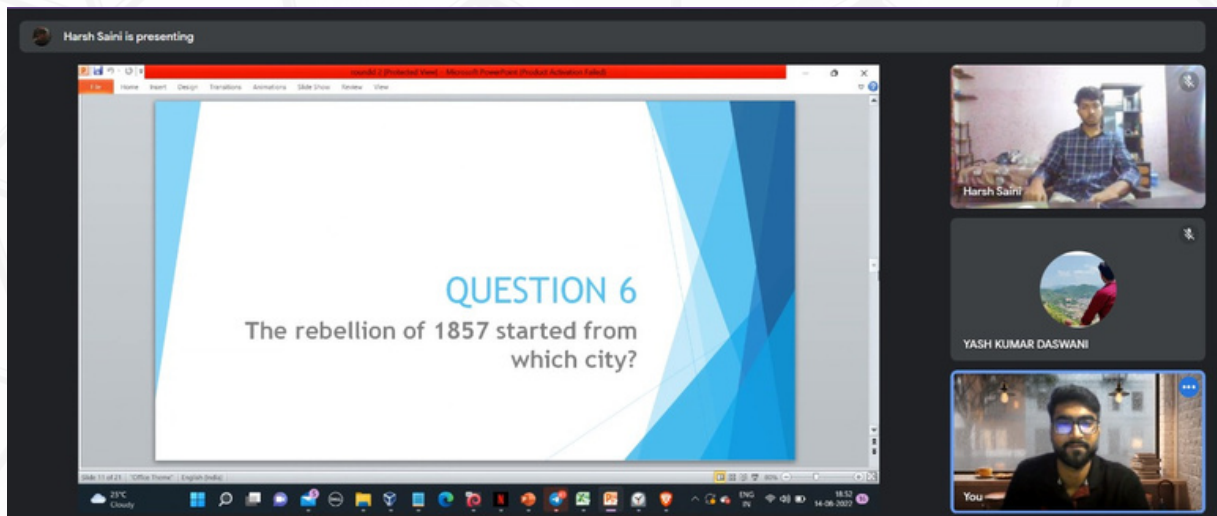

# Round II

## Rules for Round II are:-

- All the participants are compulsory to turn on the camera.
- Each right answer will lead to 2 points and a wrong answer will deduct 1 point from your total points.
- The host will present the question at the screen and at the same time he will read the question once. If the participant knows the answer, he will have to type “Y” in the chat box.
- On a “first Y first serve basis”, answers will be taken by the host. If the answer is right, the question will be terminated by awarding 2 points; otherwise, the next person in the queue will get the chance.

# Winners

- 1st kuldeep chaurasia 4th sem
- 2nd Raunak Paswan 2nd sem
- 3rd Ayush Kumar sain 4th sem
