

NPTEL Awareness Workshop

06 February, 2022

NPTEL awareness workshop was organized on 06 February 2022 at Faculty of Engineering and Technology, Gurukul Kangri Deemed University in collaboration with IIT Kanpur. Dr. Suyash Bhardwaj, who is conducting the workshop, said that about 900 students of the Faculty of Engineering and Technology register in NPTEL every year, most of whom develop their technical skills and get opportunities in higher education and multinational companies. The Faculty is the Local Chapter of NPTEL since 2018 headed by Dr. Suyash Bhardwaj. This year also 20 students have received gold and silver awards along with special certificates. Invited lecturer Prof. in the workshop. Vimal Kumar, Coordinator NPTEL Local Chapter IIT Kanpur and his colleague Mrs. Vaishali Co-Coordinator Local Chapter IIT Kanpur told about the NPTEL program in their lecture and informed the students about its benefits. At the end of the workshop Dr. Suyash Bhardwaj invited lecturer Prof. Vimal Kumar, Mrs. Vaishali, Dean Prof. Pankaj Madan and thanked all the participants and wished them all the best for making the workshop a success. 170 students and 30 teachers participated in this workshop.
