

ANNUAL REPORT (2022-23)

01 July 2022- 30 June 2023

Department of Computer Science and Engineering

Faculty of Engineering & Technology

Established (year): 2000

About the Department:

Computer Science & Engineering is the first department of Faculty of Engineering & Technology established in year 2000. It started with an intake of 30 seats today it has an intake of 230. Department has MoU with IBM, TCS, EMC², NIELIT. It has a lab with all required software and computer system with latest configuration. The department have an active Google Developer Student Club being recognized by Google due to its active participation in Latest Technologies like Cloud/Blockchain/ML events of Google. Department also runs the NPTEL local chapter of GKV and look after the website of GKV. Computer Science and Engineering Department have B. Tech in CSE and Ph.D. in Computer Science and Engineering Program.

Head of the Department: Dr. Mayank Aggarwal

Faculty Members:

1. Dr. Mayank Aggarwal
2. Dr. Suyash Bhardwaj
3. Dr. Nishant Kumar
4. Mr. Namit Khanduja
5. Mr. Vivudh Fore
6. Dr. Aman Tyagi
7. Mr. Ashwani Kumar
8. Mr. Aman Tyagi
9. Mr. Deepak Panuili
10. Mr. Sumit Bansal

Details of Publication/Conference attended/ Workshop attended/ Awards/ Invited talk etc.:

- I. No. of publications in UGC listed journals with impact factors (if any): **7** – Annexure 1
- II. No. of books/edited books/chapters in books: **1** – Annexure 2
- III. No. of papers presented in conferences/seminars by the faculty members: **23** – Annexure 3
- IV. No. of awards to faculty members: **4** – Annexure 4
- V. No. of Patents: **9** – Annexure 5
- VI. No of Invited talk delivered: **18** - Annexure 6

Paper Presented in Conference

1. Dr. Mayank Aggarwal presented a paper entitled "Blockchain based Health care system to Secure health records" in International Conference on Computer Communication and Informatics. (Presented Online- 23-25, Jan,2023) IEEE
2. Dr. Mayank Aggarwal presented a paper entitled "Blockchain Applications in Healthcare-recent advancements" in International Conference on Computer Communication and Informatics. (Presented Online- 23-25, Jan,2023) IEEE
3. Dr. Suyash Bhardwaj Presented a paper entitled "Yogic Management of Computer Related illness" in three days online International Conference on Indian Traditional Yoga System Theory and Practice organized by Department of Yogic Science, Gurukula Kangri (Deemed to be University), Haridwar Sponsored by Ministry of AYUSH, Govt. of India, New Delhi from 24 to 26 May, 2022.

4. Dr. Suyash Bhardwaj Presented a paper entitled “Machine Learning for Healthcare- A Review” in the two-day international conference on Current and Future Challenges of Human Health Solution with AI, Pharmaceuticals and Indian Medicine” organized by Department of Pharmaceutical Sciences, Gurukula Kangri (Deemed to be University), Haridwar in association with PRISAL Foundation held during 10 to 11 July, 2022.
5. Dr. Suyash Bhardwaj Presented a paper entitled “Recent Advancement in Pancreatic Cancer Diagnosis using Machine Learning – Based Methods – A Systematic Review” in International Conference on Advances and Application of Artificial Intelligence and Machine Learning held on 16-17 September 2022 at Sharda University, Greater Noida, Uttar Pradesh.
6. Dr. Suyash Bhardwaj Presented a paper entitled “Issues and Challenges in MANET Routing Protocols” in International Conference organized by the Department of Botany & Microbiology, Gurukula Kangri (Deemed to be University), Haridwar on 7-8 December, 2022.
7. Dr. Suyash Bhardwaj Presented a paper entitled “Trends in Machine Learning Techniques for Plant Disease Detection” in National Conference on Science and Technology for All (NCSTA) organized by The Indian Science Congress Association: Haridwar Chapter on 19 March, 2023.
8. Dr. Suyash Bhardwaj Presented a paper entitled “The Role of Vedic Science & Engineering in Promoting Ethical and Sustainable Artificial Intelligence” in National conference on Knowledge, Cultural Traditions & Practices of India organized by Gurukula Kangri Deemed to be University, Haridwar on 29 March 2023.
9. Mr. Namit Khanduja Presented a paper titled “Transformers for Multi Label Classification of Biomedical Records” in International conference on Current and Future Challenges of Human Health: Solution with AI, Pharmaceuticals and Indian Medicines organized by Department of Pharmaceutical Sciences, Gurukula Kangri (Deemed to be University) ,Haridwar during 10 July,22 – 11 July,2022.
10. Mr. Namit Khanduja Presented a paper titled “Survey on Sentiment Classification in Indian Languages” in International conference on Environment and Human Health: Global Issues organized by Department of Botany and Microbiology, Gurukula Kangri (Deemed to be University) ,Haridwar, during 7 Dec,22 – 8 Dec ,2022.
11. Mr. Namit Khanduja Presented a paper titled “Sentiment Classification on Hindi using Tranformer based deep learning models” in National conference on “Science & Technology for All (NCSTA) organized by Indian Science Congress Association: Haridwar Chapter on 19, March 2023.
12. Mr. Namit Khanduja Presented a paper titled “Evaluating Performance of Hate Speech Text classification using Transformers” in National Conference on Knowledge, Cultural Traditions & Practices of India organized by Gurukula Kangri (Deemed to be University), Haridwar during 29- 31 March, 2023.
13. Mr. Deepak Painuli Presented a paper entitled “Recent Advancement in Pancreatic Cancer Diagnosis using Machine Learning – Based Methods – A Systematic Review” in International Conference on Advances and Application of Artificial Intelligence and Machine Learning held on 16-17 September 2022 at Sharda University, Greater Noida, Uttar Pradesh.
14. Mr. Deepak Painuli Presented a paper entitled “Current State of Machine Learning Methods in Pancreatic Cancer Diagnosis: A Systematic Review” in Two days International Conference on Advances and Applications of Artificial Intelligence and Machine Learning (ICAAAIML-2022) organized by School of Engineering and Technology, Sharda University Uttar Pradesh, Greater Noida, from 17 to 18 Sept, 2022.

15. Mr. Deepak Painuli Presented a paper entitled “Gene Expression Microarray-based Diagnosis of Central Nervous System (CNS) Cancer using Machine Learning (ML) Methods” in Two days International Conference on Recent Advancement & Innovation in Engineering & Technology (RAIET-2023) organized by Maharishi School of Engineering & Technology, MUIT Lucknow, from 24 to 25 Feb, 2023.
16. Mr. Deepak Painuli Presented a paper entitled “Optimized Leukaemia Cancer Diagnosis using Gene Expression Microarrays and Machine Learning Techniques” in Two days National Conference on "Knowledge, Cultural Traditional & Practices of India" organized by Gurukula Kangri (Deemed to be University), Haridwar, Uttarakhand, from 29 to 31 March, 2023.
17. Mr. Ashwani Presented a paper entitled “Recommendation System For Smart Farming Using AI” in National Conference on “Science & Technology For ALL (NCSTA)” organized by “The Indian Science Congress Association: Haridwar Chapter” on March 19, 2023.
18. Mr. Ashwani Presented a paper entitled “Recommendation System for best crop yield using AI” in National Conference on “Knowledge, Cultural Traditional & Practices of India” organized by “ Gurukula Kangri(DU), Haridwar” from 29-31 March, 2023.
19. Mr. Aman Tyagi Presented a paper entitled “Recommendation System For Smart Farming Using AI” in National Conference on “Science & Technology For ALL (NCSTA)” organized by “The Indian Science Congress Association: Haridwar Chapter” on March 19, 2023.
20. Mr. Aman Tyagi Presented a paper entitled “Recommendation System for best crop yield using AI” in National Conference on “Knowledge, Cultural Traditional & Practices of India” organized by “ Gurukula Kangri(DU), Haridwar” from 29-31 March, 2023.
21. Dr. Aman Tyagi presented a paper entitled “Vedic IOMT based treatment of Asthma” in National conference on Knowledge, Cultural Traditions & Practices of India organized by GK(DU), Haridwar on 29 March 2023.
22. Dr. Aman Tyagi published a paper entitled “Application of IOMT for Smart Healthcare Systems” in National Conference on Science and Technology for All (NCSTA) organized by The Indian Science Congress Association: Haridwar Chapter on 19 March, 2023.
23. Vivudh Fore published a paper entitled "Comparative study using RSM ANN and SVM modelling for Biodiesel production from Karanja oil by developed microwave set up." In 2023 1st International Conference on Intelligent Computing and Research Trends (ICRT), pp. 1-16. IEEE, 2023.

Awards

1. Dr. Suyash Bhardwaj Awarded with Active SPOC Award for Jan- Apr 2022 Sessions on July 16, 2022 by National program on technology enhanced learning, NPTEL, Govt. of India.
2. Dr. Suyash Bhardwaj Awarded with Active Mentor Award for Jan – Apr 2022 Session at NPTEL SPOC Felicitation workshop at IIT Kanpur, Kanpur, U.P. on the date on July 16, 2022 by National program on technology enhanced learning, NPTEL, Govt. of India.
3. Dr. Suyash Bhardwaj Awarded with Active SPOC Award for July- Dec 2022 Sessions at NPTEL SPOC Felicitation workshop at IIT Kanpur, Kanpur, U.P. on the date on Feb 19, 2023 by National program on technology enhanced learning, NPTEL, Govt. of India.
4. Dr. Suyash Bhardwaj Awarded with Best Teacher Award by Motherhood University, Roorkee on the occasion of Teachers felicitation program 2023 on 30 April 2023.

Annexure 5

Patent Published

1. Dr. Mayank Aggarwal published a patent titled “Method for leveraging of IoT and Artificial Intelligence for enhanced data security” . Date 20/01/2023. Application No: 202311001305.
2. Dr. Mayank Aggarwal published a patent titled “Artificial Intelligence and Internet of Things based system for enhanced fog management in smart cars” . Date 20/01/2023. Application No: 202311001292.
3. Dr. Mayank Aggarwal published a patent titled “Home security revolutionizing methods using integration of IoT and Artificial Intelligence” . Date 20/01/2023. Application No: 202311001302.
4. Dr. Mayank Aggarwal published a patent titled “Method for enhancing bank security with IOT and Artificial Intelligence” . Date 20/01/2023. Application No: 202311001303.
5. Dr. Mayank Aggarwal published a patent titled “Method for enhancing shopping mall security with IOT and Artificial Intelligence” . Date 20/01/2023. Application No: 202311001304.
6. Dr. Suyash Bhardwaj, published a patent titled “IOT based system in Car to avoid collision on National highway” as Indian Patent registered in the Official Journal of the Patent Office, Issue No. 19/2023 Friday Date: 12/05/2023 with filed on 26/03/2023 Published on 12/05/2023. Patent no. 02311021605.
7. Mr. Namit Khanduja published a patent titled “A Machine Learning Approach For Iot Device Identification Based On Network Traffic Analysis And Method Thereof” patent no. 202241035060 in year 2022-23.
8. Mr. Ashwani published an Indian Patent titled “IOT based system in car to avoid collision on national highway” on May 2023, Patent Number – 202311021605.
9. Mr. Aman Tyagi published an Indian Patent titled “IOT based system in car to avoid collision on national highway” on May 2023, Patent Number – 202311021605.

Annexure 6

Invited Talk Delivered

1. Dr. Mayank Aggarwal delivered an invited Talk on “Exploring Blockchain” in FDP conducted by Sharda University, Noida on 29/6/23.
2. Dr. Mayank Aggarwal delivered an invited Talk on “Research Methodology” in USERC Sponsored Workshop conducted by UETR, Roorkee on 28/2/23.
3. Dr. Mayank Aggarwal delivered invited Talk on “Security using Block chain” in USERC Sponsored Workshop conducted by UETR, Roorkee on 8/2/23.
4. Dr. Mayank Aggarwal delivered an invited Talk on “Block chain Introduction and Hands On with Ethereum” in SERB Sponsored Workshop conducted by IIIT-Kota on 28/11/22 and 29/11/22.
5. Dr. Mayank Aggarwal delivered an invited Talk on “Cryptocurrency a new era in virtual labour market and legal issues” in FDP conducted by GNDU, Amritsar on 13/7/22.
6. Dr. Suyash Bhardwaj Delivered an invited talk on “New Education Policy” in Department of Physical Education, Gurukul Kangri Deemed to be University, Haridwar and Sports on 05 September 2022.
7. Dr. Suyash Bhardwaj Delivered an invited talk on “Design Thinking for Innovation, Better future and Sustainable Development” in Quantum University, Roorkee on 15 September 2022.

8. Dr. Suyash Bhardwaj Delivered an invited talk on “Audio Video Recording Tools, Screencast training and uses” in Uttarakhand Sanskrit University in online mode on 21 October 2022.
9. Dr. Suyash Bhardwaj Delivered an Invited talk on “Deep Learning and its application” in University of Engineering & Technology, Roorkee, Haridwar on 31 October 2022.
10. Dr. Suyash Bhardwaj Delivered an Invited Keynote address on “Innovative Thinking and Development” and acted as session chair in IEEE conference on Fourth Industrial Revolution based Technology and Practices (ICFIRTP-2022) at Quantum University, Roorkee on 23 November 2022.
11. Dr. Suyash Bhardwaj Delivered an Invited Talk on Tips of Project Development and Android Programming in Dev Sanskriti Vishwavidyalaya, Haridwar on 03 December 2022.
12. Dr. Suyash Bhardwaj Delivered an Invited Talk on “NPTEL Awareness and Enrolment Process” in Faculty of Engineering & Technology, Gurukula Kangri Deemed to be University Haridwar on 06 Feb, 2023.
13. Dr. Suyash Bhardwaj Delivered an Invited talk on “Data Processing using GPT” in National Workshop on Data Analytics using Advanced Mathematical Tools, organized by Faculty of Engineering & Technology, Gurukula Kangri Deemed to be University, Haridwar on 18 March, 2023.
14. Dr. Suyash Bhardwaj Delivered an Invited talk on “Applications of Animation & Multimedia” in class B.Sc. in HEC group of Institutions, Haridwar on 28 April, 2023.
15. Dr. Suyash Bhardwaj Delivered an Invited talk on “Web Technologies” in DSVV, Shantikunj on 04 May, 2023.
16. Dr. Suyash Bhardwaj Delivered an invited talk on “Audio Video Recording Tools, Screencast training and uses” in Uttarakhand Sanskrit University in online mode on 25 May 2023.
17. Mr. Deepak Painuli delivered an invited talk on IT Awareness at Kanya Gurukul, GKV-Haridwar on 19/11/22.
18. Mr. Deepak Painuli delivered an invited talk on Journal Scope and Validation on UGC Care, Web of Science & Scopus at FET-GKV, Haridwar on 27/02/2023

FDP/Workshop Attended

1. Dr. Suyash Bhardwaj attended National Workshop on “Tech4Seva at Regional Level” organized by Regional Coordinating Institute, Unnat Bharat Abhiyan, Indian Institute of Technology Roorkee on July 30, 2022.
2. Dr. Suyash Bhardwaj attended National Workshop on “Data Analytic and Learning” organized by Department of Information Science & Engineering, JSS Science and Technology University, Mysuru from 05 September 2022 to 10 September 2022 in online mode.
3. Dr. Suyash Bhardwaj attended Professional Development workshop on “Digital Creativity skills” as a part of Adobe Academic Essentials Program on 26 November 2022 in online mode.
4. Dr. Suyash Bhardwaj attended National workshop on “Disaster Awareness and Training Program on A Primary /Secondary Education Interventions” Organized by Regional Coordinating Institute (RCI), Unnat Bharat Abhiyan (UBA) and South Asia Alliance of Disaster Research Institutes – Young Professional Platform (SAADRI-YPP) Indian Institute of Technology Roorkee on 28 January, 2023.

5. Dr. Suyash Bhardwaj attended Faculty development program on “Artificial Intelligence, Machine Learning and Interdisciplinary Approach for Natural Language Processing” organised by Roorkee Institute of Technology from 9 February 2023 to 14 February 2023.
6. Dr. Suyash Bhardwaj attended Faculty Development program on “Research Methodology and Communication” organized by Faculty of Science, Motherhood University, Roorkee and ISCA: Haridwar Chapter from 23 March 2023 to 28 March 2023.
7. Dr. Nishant Kumar has successfully completed the One Week National Workshop on "Science Communication & Research Methodology" From 12th - 17th December 2022, organized by Department of Zoology & Environmental Science. Gurukula Kangri (Deemed to be University), Haridwar, Uttarakhand, Sponsored by National Council for Science & Technology Communication, Department of Science & Technology, Govt. of India, New Delhi.
8. Mr. Namit Khanduja attended National Workshop on “Data Analytics Using Advanced Mathematical Tools” DAUAMT-23 organized by Department of Applied Science, FET,GK(DU) from 13-18, March 2023.
9. Mr. Deepak Painuli attended AICTE Recognized Two-week Blended/Hybrid mode Faculty Development Programme on “Academic Leadership” organized by Gurukula Kangri Vishwavidyalaya, Haridwar at FET Campus – GKV, Haridwar from 19-09-2022 to 30-09-2022.
10. Mr. Deepak Painuli attended USERC Sponsored One Week National Workshop on “Data Analytics Using Advanced Mathematical Tools (DAUAMT-2013) organized by Gurukula Kangri Vishwavidyalaya, Haridwar at FET Campus – GKV, Haridwar from 13-03-2023 to 18-03-2023.
11. Mr Ashwani attended Induction Program organized by Faculty of Education & Training Gurukula Kangri (Deemed to be University) Haridwar from 05.04.2022 to 13.04.2022.
12. Mr Aman Tyagi attended Induction Program organized by Faculty of Education & Training Gurukula Kangri (Deemed to be University) Haridwar from 05.04.2022 to 13.04.2022.
13. Mr. Aman Tyagi Participated and successfully completed the 5-day Online FDP on “Inculcating Universal Human Values in Technical Education” organized by AICTE from 16th Jan to 20th Jan 2023.
14. Dr. Aman Tyagi, participated in “Behind the Scenes with Editors-in-Chief: A Live Interaction Session on Research Writing, Journal Review, and Handling Rejection” on 15th Sept 2022 organized by Enago.
15. Dr. Aman Tyagi has successfully completed “Teach forward: Best strategies for hybrid, remote, and blended learning” on August 6, 2022.
16. Dr. Aman Tyagi has successfully completed “Enable student success with blended learning solutions in higher education” on August 6, 2022.
17. Dr. Aman Tyagi, participated in one day workshop on “Teaching and learning method in Science & Technology” on 9th January 2023 organized by Faculty of Engineering & Technology, Gurukula Kangri (Deemed to be University).
18. Dr. Aman Tyagi, participated in “The National Workshop on Research and Innovation by Researchers for researchers organized by department of computer Science and Engineering Faculty of Engineering & Technology, Gurukula Kangri (Deemed to be University), Haridwar in joint collaboration with IIC Cell GKDU, G20 events committee & NDLI Club on 27th February, 2023.

19. Dr. Aman Tyagi, has participated in the “Role of ChatGPT & Other AI Tools in Academic Publishing: Opportunity or a Threat?” on 23 may 2023 by Enago.
20. Dr. Aman Tyagi, working as organizing member of Student Induction Program (SIP) on 15 November to 25 November 2022 organized by Faculty of Engineering & Technology, Gurukula Kangri (Deemed to be University).
21. Mr. Vivudh Fore attended Faculty development program on “Artificial Intelligence, Machine Learning and Interdisciplinary Approach for Natural Language Processing” organised by Roorkee Institute of Technology from 9 February 2023 to 14 February 2023.

Events Organized:

Canva Workshop on 18 August 2022

Department of Computer Science & Engineering organized a workshop on Canva software for all teaching and non-teaching faculty. The event was coordinated by Dr. Suyash Bhardwaj and Dr. Nishant and Dr. Gaurav Malik acted as resource person. The event was a great success as the participants did the hands on practice to make posters and banners of a mock event and were assisted by resource person in doing so. Dr. Nishant explained various techniques of inserting elements in the poster, rotation and colour changes etc.

Technology Awareness Session and Orientation Workshop on 20/08/2023

Communicode club of Department of Computer Science & Engineering, Faculty of Engineering & Technology, Gurukula Kangri Deemed to be University, Haridwar organized a “Technology Awareness Session and Orientation Workshop” of Club members on Saturday, 20/08/2022 in CSE, Seminar hall. Mr. Chirag Goel, an alumnus of Department of CSE currently working as Senior SDE at Microsoft acted as invited speaker. All the students of first year participated in this program. Dr. Nishant Kumar coordinated the session.

Cyber Security workshop 17 august 2022

A technology awareness and cyber security session was organized in the faculty of engineering on 17 august 2022 to aware the faculty and staff about the various cyber threats that can happen while working online. The event was a great success with huge participation from the faculty and staff.

Harsh Walia elected as coordinator for Google Developer Club of Faculty of Engineering and Technology on 24 July 2022

During the election conducted in the Google developer club, Harsh Walia was selected as the new coordinator of the Google Developer Club of the Faculty of Engineering and Technology. Google Developer Club is working in the Faculty of Engineering and Technology for the last few years. Under which all the students are introduced to new technologies and technical training is given. Some of the programs organized under this are mainly cloud introduction workshops, Google Developer Club activities etc. Dr. Mayank Aggarwal, Head of the Department congratulated Harsh and also motivated to organize more and more programs in the university which is opening after the corona epidemic. Dr. Suyash Bhardwaj also congratulated Harsh and encouraged him to take the Google Developer Club to new heights. About 50 students participated in the program.

Induction Program 15-25 Nov 2022

Dr. Vinay Sethi and Dr. Udhham Singh Delivered lecture for the first year students in induction program organized by department of CSE during 15 -25 November 2022.

Industry Academia Meet 2 July 2022

Prof. Anil D. Shasrabudhe, Director AICTE inaugurated the newly constructed hostel for the SC/ST students in FET on 2 July 2022 during a program on industry academia meet.

MSME Program on 5 Nov 2022

A program on Micro and Small scale organization and funding was organized in Faculty of engineering and technology on 5 November 2022. The students and faculty were introduced about the platform of MSME govt. of india for project proposals.

New Age Skills for better future opportunities on 10 September 2022

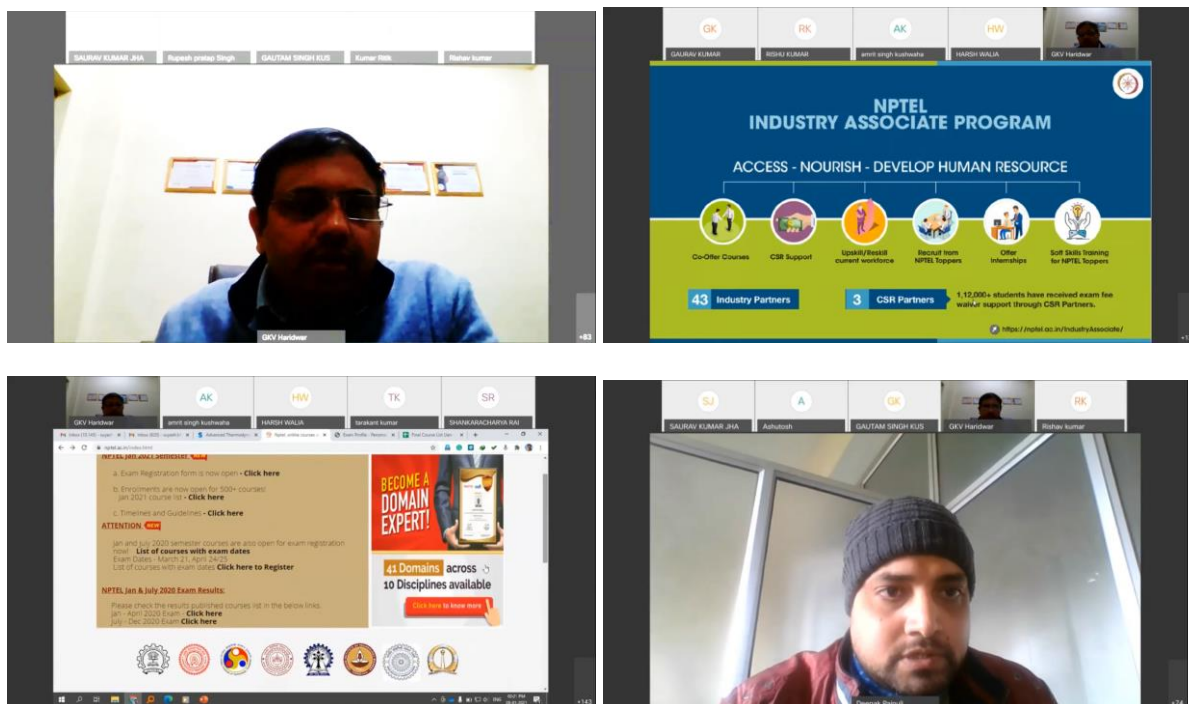

Department of Computer Science & Engineering organized a workshop on “New Age Skills for better future opportunities” in collaboration with NIIT Technologies, Noida for all the students of FET, Gurukula Kangri (DTBU), Haridwar. Dr. Mayank Aggarwal welcomed the guests. Mr Saaranish, Manager NIIT Limited, Noida acted as resource person and delivered a lecture on new career prospective for engineers after B.Tech. The event was coordinated by Dr. Suyash Bhardwaj and Mr. Aman Tyagi.

NPTEL Awareness Workshop on 28 January, 2021

NPTEL Awareness Program was organized in FET on 28 January 2021. Dr. Suyash Bhardwaj, SPOC GKV, presented the aim and objectives of SWAYAM NPTEL and introduced the students

with the NPTEL Portal explaining the enrollment process and course selection. The program was a great success with more than 100 participants. Mr. Deepak Panuili coordinated the program and presented the vote of thanks.

Teachers Day Celebration in Department of CSE 5 Sep 22

Students of CSE, third year celebrated the teacher's day in department of CSE and invited the faculty members in this event. The students demonstrated their skills by participating in extempore and debate competition. Some students also presented their thought on teacher's day with poem recitation. The event was coordinated by the students. Around 80 students participated in the program.

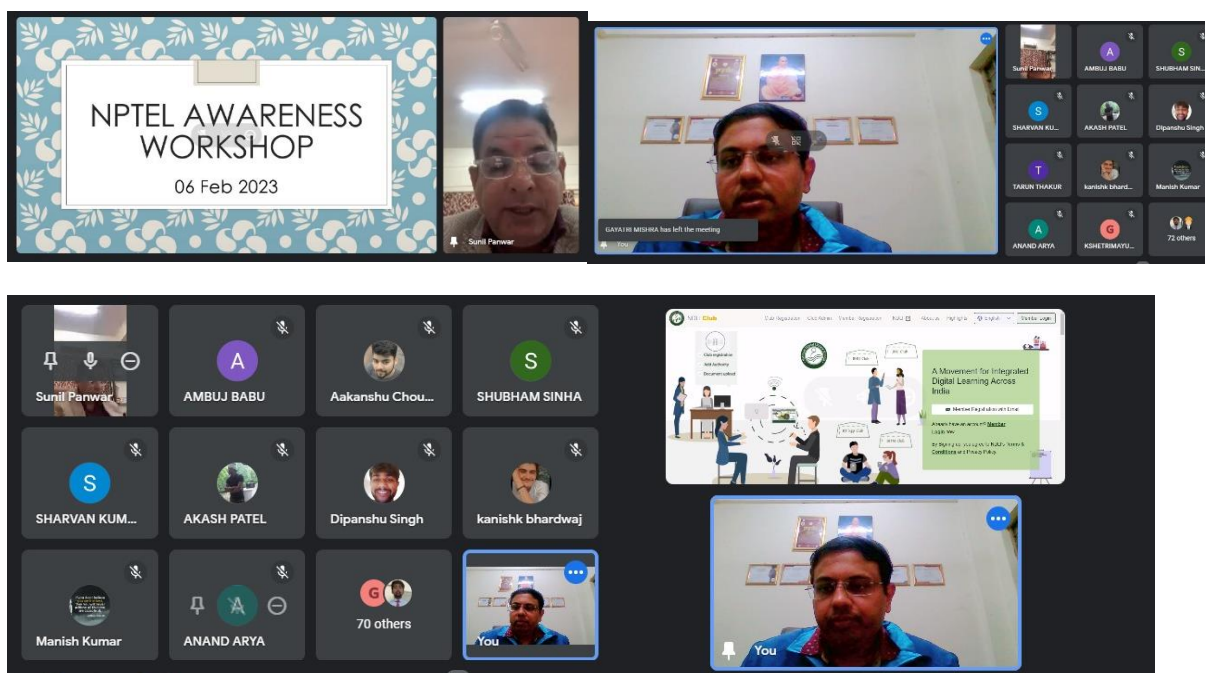

MoU signed with IBM

IBM invited Dr. Mayank Agarwal for roundtable discussions held at IBM Gurugram on 21 Feb, 2023 to discuss how academia and industry can collaborate for mutual benefits. How students can be provided with the courses necessary to build their career in industry, and about IBM Skill Academy. Dr. Mayank Aggarwal shared his experience of FET's collaboration with IBM and FET students and staff have benefitted from IBM courses in past years. A recent MoU which was signed between IBM and GK(DU) was also exchanged there.

NPTEL Awareness Workshop on 06 February, 2023

NPTEL Awareness Program was organized in FET on 06 February 2023. Dr. Suyash Bhardwaj, SPOC GKV, presented the aim and objectives of SWAYAM NPTEL and introduced the students with the NPTEL Portal explaining the enrollment process and course selection. This year around 20 students have received gold and silver awards along with special certificates. The program was a great success with more than 100 participants.

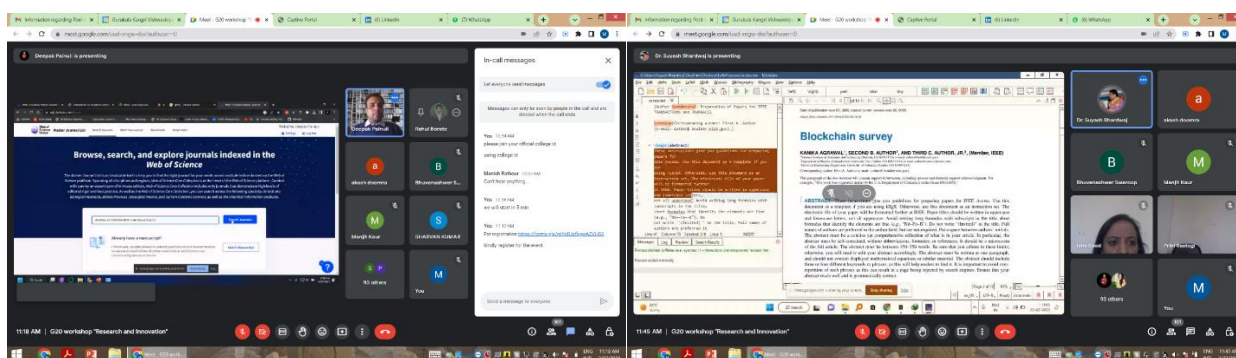

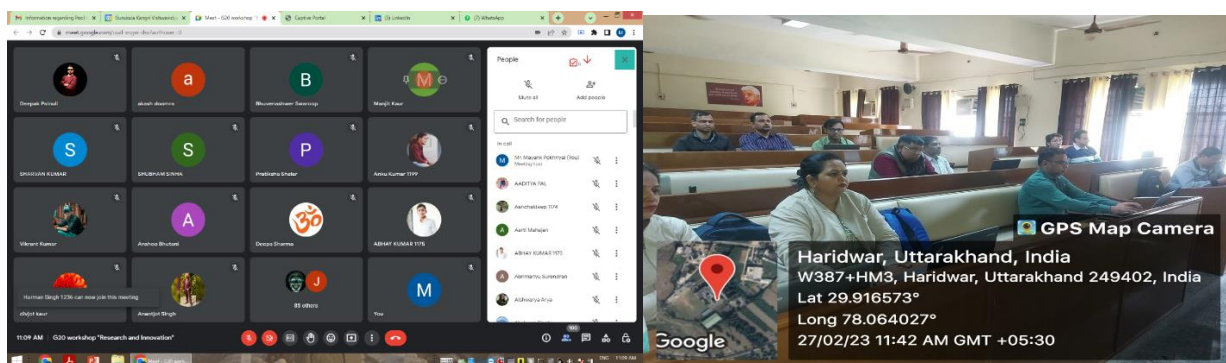

Dr. Suyash Bhardwaj awarded with Active SPOC Award

Dr. Suyash Bhardwaj Awarded with Active SPOC Award for July- Dec 2022 Sessions on Feb 19, 2023 by National program on technology enhanced learning, NPTEL, Govt. of India.

National workshop on “Research and Innovation” 27 Feb 2023

National workshop on Research and Innovation was organized in hybrid mode (online and offline) on 27 Feb, 2023. A total of 100 Participants were present during the workshop. Prof. Mayank Aggarwal, Head, Dept. of CSE, FET, GK(DU), Haridwar shared his views on the Research and Innovation. Mr. Deepak Painuli, Assistant professor, CSE delivered his talk on journal scope and validation. Ms. Kanika Agrawal delivered his talk on Latex. Mr. Vivek Arya delivered his talk on Patent drafting and application process. Mr. Atul Varshnay delivered his talk on How to write a research paper. The session ended with Shanti path.

Workshop on Data Analytics Using Advanced Mathematical Tools 13-18 March 2023

A one-week National Workshop on **Data Analytics Using Advanced Mathematical Tools (DAUAMT-23)** was organized by the Department of Applied Science, Gurukula Kangri (Deemed to be University), Haridwar in collaboration with Uttarakhand Science Education and Research Centre (USERC), Dehradun during 13-18 March, 2023. Dr. Mayank Aggarwal and Dr. Suyash Bhardwaj Delivered invited talk in the above workshop
