

Plantation Drive Held at Faculty of Engineering and Technology, Gurukul Kangri Deemed to be University, Haridwar on World Environment Day on 05 June 2025

In celebration of World Environment Day, the Faculty of Engineering and Technology at Gurukul Kangri (Deemed to be University), Haridwar, organized a plantation drive today within the campus premises. The initiative aimed to promote environmental awareness and sustainability among students and faculty members.

The event was graced by the presence of Professor Vipul Sharma, Dean, Faculty of Engineering and Technology, who led the plantation activity with enthusiasm. Prominent faculty members including Dr. M.M. Tiwari, Dr. Tanuj Garg, and Dr. Suyash Bhardwaj actively participated in the drive and contributed by planting saplings around the faculty premises.

Several staff members and coordinators also played a vital role in ensuring the success of the event. Among them were Mr. Apoorv Kaushik, Shri Dhanpal Singh, Dr. Dharmendra Baliyan, Mr. Ashok, Mr. Narendra Malik, and Mr. Deepak Negi, whose efforts were instrumental in organizing and facilitating the plantation activities.

Speaking on the occasion, Prof. Vipul Sharma emphasized the importance of such initiatives in fostering a greener campus and instilling environmental consciousness among the youth. He encouraged students and faculty members to take collective responsibility towards ecological preservation and climate action.

Prof. Hemlata K. Vice chancellor and Prof. Sunil Kumar Registrar appreciated the efforts of the team to celebrate environment day.

The plantation drive concluded with a commitment from all attendees to care for the planted saplings and continue working towards a sustainable and eco-friendly future.

The event was a remarkable example of environmental stewardship and reflected the university's dedication to nurturing both education and nature.
