

# Geeks for Geeks GKV

## Orientation Session – 2025

### Day 1

#### Introduction

The orientation session for the *Geeks for Geeks* Student Program Haridwar Chapter was held on **13th September 2025** at the Old Seminar Hall, Faculty of Engineering and Technology, Gurukul Kangri Vishwavidyalaya. The session primarily focused on the freshmen of the **Computer Science and Engineering Department**.

#### Event Overview

The orientation session was led by members of the **GFG student body** from various academic years, including:

- **Amarpreet, Shivansh, Adarsh, and Ishaan** (5th semester)
- **Aditya and Nakul** (3rd semester)

#### Purpose and Goals

The orientation session aimed to guide the incoming B.Tech batch, providing them with insights into various technical domains. The key focus areas were:

1. **Artificial Intelligence / Machine Learning (AI/ML)**
2. **Data Structures and Algorithms (DSA)**
3. **Cloud Computing**
4. **GATE Preparation**

As the freshmen embarked on their engineering journey, the session acted as a platform to help them understand potential career paths and the role of technology

in their future careers. The session emphasized current market trends and the importance of staying updated with emerging technologies.

### Session Details

The session offered a combination of **talks, discussions, and one-on-one interactions**. Key highlights include:

- **Market Trends:** Emphasis on the growing significance of technology in diverse industries.
- **Industry Demands:** A discussion on the skills most sought after in the tech world.
- **Doubt-Clearing Session:** Open forum for students to ask questions, share their curiosity, and explore career aspirations.

Some students expressed general curiosity, while others shared specific goals and dreams. The session helped reinforce the significance of **hard work, commitment, and focused learning**.

### Outcomes

The session proved beneficial in several ways:

- **Active Participation:** Freshmen' s enthusiasm provided valuable insights into their expectations, which will assist in planning future events.
- **Clear Vision for Future Events:** The feedback collected will help tailor the upcoming GFG events and content.
- **Stronger Connections:** The session fostered a sense of community and collaboration among students.

## Findings

Several key observations were made during the orientation:

1. **Increased Interest in Coding:** A significant rise in interest in coding-related activities.
2. **Interest in GATE Preparation:** Many students showed an inclination towards preparing for the GATE exam.
3. **Interest in Tech Events:** Students expressed enthusiasm for participating in hackathons, tech meets, and similar events.

## Conclusion

The session concluded with an inspiring speech by **Dr. Mayank Agarwal**, the Head of the Computer Science and Engineering Department. He extended his best wishes to both the GFG team and the freshmen for a successful and productive academic year.
