

Career Orientation Workshop on 27th February 2024

The Department of Computer Science and Engineering, Faculty of Engineering & Technology, Gurukula Kangri (Deemed to be) University, Haridwar, is pleased to announce a Career Orientation Workshop scheduled for 27th February 2024 at 11:00 AM. This workshop aims to provide students and faculty members with valuable insights into career opportunities and industry expectations in the field of engineering and technology.

The workshop will feature Mr. Saurabh Pandey, Director at CETPA Infotech, Roorkee, as the special invited guest. Mr. Pandey is renowned for his expertise in technology training and career guidance, and he will be sharing his knowledge on the latest industry trends, skill requirements, and career paths available for aspiring engineers. His session promises to be an enlightening experience for students, helping them navigate their professional journeys with greater clarity and purpose.

Dr. Vipul Sharma, Professor and Dean, Faculty of Engineering & Technology, will also be addressing the participants during the workshop. He will share his thoughts on the importance of career planning and the role of continuous learning in achieving professional success. "Career orientation workshops like this are crucial for bridging the gap between academic knowledge and industry demands. I encourage all students to actively participate and make the most of this opportunity to gain valuable insights from industry experts," said Dr. Sharma.

The event will be coordinated by Dr. Suyash Bhardwaj from the Faculty of Engineering & Technology. Dr. Bhardwaj, known for his dedication to student development and academic excellence, has been instrumental in organizing this workshop. He believes that such initiatives are vital for enhancing the employability of students and preparing them for the competitive job market.

An interactive quiz will be conducted as part of the workshop, allowing participants to test their knowledge and engage more deeply with the topics discussed. Interested participants can access the quiz through the following link: [Quiz Link](#). E-certificates will be provided to all participants who attend the workshop and complete the quiz, recognizing their active involvement and learning.

It is an excellent opportunity for students to explore various career options, understand industry expectations, and gain practical advice on building a successful career in engineering and technology.

The Career Orientation Workshop is a much-anticipated event that promises to be both informative and inspiring. The department looks forward to the active participation of students and faculty in this enriching session.
