

Report on Cloud Computing Workshop

A **Workshop on Cloud Computing** was organized on **16th September 2025** to provide participants with practical knowledge and insights into modern cloud technologies. The event was **coordinated by Dr. Suyash Bhardwaj**, who efficiently managed all arrangements to ensure the success of the program. The session was conducted by **Mr. Baiju Kumar**, an expert in cloud infrastructure and services, who delivered an engaging and informative talk on the fundamentals and applications of Cloud Computing.

During the workshop, Mr. Baiju Kumar explained key concepts such as cloud architecture, virtualization, service models (IaaS, PaaS, SaaS), and deployment types (public, private, and hybrid clouds). He also demonstrated how cloud platforms like AWS, Microsoft Azure, and Google Cloud are transforming the IT industry by providing scalable and cost-effective solutions. Participants actively interacted with the speaker, clarifying their doubts and gaining hands-on exposure to cloud-based tools.

The workshop concluded with a vote of thanks to **Mr. Baiju Kumar** for sharing his valuable expertise and to **Dr. Suyash Bhardwaj** for his effective coordination. Overall, the session proved to be highly informative and motivating, enhancing participants' understanding of Cloud Computing and its immense potential in shaping the future of technology.
