

Report on the Workshop on Financial Wellness for Teachers and Students

Date: 23rd November 2024

The Department of Computer Science and Engineering, Faculty of Engineering and Technology, Gurukula Kangri (Deemed to be University), Haridwar, successfully organized a workshop on Financial Wellness for Teachers and Students on 23rd November 2024. The workshop aimed to impart financial literacy, investment knowledge, and wealth management strategies among faculty members and students. The event was well-attended by esteemed faculty members and enthusiastic students of different departments of FET.

The workshop commenced with a welcome address by Prof. Mayank Aggarwal, Head of the Department of Computer Science and Engineering. He emphasized the significance of financial literacy in the current era and stressed that both educators and students must acquire financial planning and investment skills to ensure financial independence and stability.

Following this, Prof. Vipul Sharma, Dean of the Faculty of Engineering and Technology, addressed the gathering. He congratulated the event coordinator and lauded the initiative taken by the Department of Computer Science and Engineering. He highlighted that financial wellness is an integral part of academic and professional success and encouraged all attendees to actively participate in the sessions to enhance their understanding of financial management.

The workshop featured insightful sessions by Mr. Mohit Papnoi and Mr. Vivek Chaudhary, both of whom are distinguished experts in financial planning and investment strategies. The sessions covered essential topics such as the importance of financial literacy, budgeting, investment strategies for long-term wealth, risk management, tax planning, and retirement planning.

Mr. Mohit Papnoi stressed the importance of financial education from an early stage and provided practical insights into personal finance management. He emphasized that financial independence depends not on earnings alone but on effective money management and disciplined investments, which can ensure long-term financial security.

Mr. Vivek Chaudhary elaborated on the role of smart investments and risk management in wealth creation. He explained that patience and informed decision-making are crucial for financial success. He encouraged participants to understand market trends, diversify investments, and make well-informed financial choices to secure their financial future.

The workshop concluded with a formal vote of thanks delivered by Dr. Suyash Bhardwaj, who expressed gratitude to the invited speakers for their valuable insights and to all faculty members and students for their enthusiastic participation. He acknowledged the efforts of Dr. Nishant Kumar, the event coordinator, for successfully organizing the workshop. He emphasized that financial wellness is a crucial aspect of life, and the knowledge gained from the workshop would help attendees make more informed financial decisions in the future.

The workshop proved to be highly informative and beneficial for all attendees. The Department of Computer Science and Engineering expressed its commitment to organizing more such events in the future to enhance financial awareness among students and faculty. The event was a remarkable success, equipping participants with essential financial knowledge and strategies for long-term financial well-being.

The workshop was attended by several distinguished faculty members, including Dr. Aman Tyagi, Dr. Suyash Bhardwaj, Dr. Nishant Kumar (Event Coordinator), Mr. Aswani, Mr. Namit Khanduja, Dr. M. M. Tiwari, Prof. Mayank Agarwal, Dr. Panwar, and Dr. Ashish Dhamanda. Their presence added value to the event, fostering an environment of learning and discussion on financial wellness.
