

## Report on the Signing of Letter of Intent (LOI) Between Magic Bus India Foundation and Gurukula Kangri University

### Under ITC CSR Programme for Student Skill Development

Gurukula Kangri Deemed to be University, Haridwar, and Magic Bus India Foundation have formally signed a **Letter of Intent (LOI)** to initiate a collaborative training programme. This partnership has been established under the **ITC CSR-funded initiative**, aimed at providing specialized training in **Verbal Communication** and **Life Skills** to students from various faculties.

The LOI was signed by **Dr. Suyash Bhardwaj**, Training & Placement Officer, on behalf of the university, and **Ms. Varsha** representing Magic Bus India Foundation.

Under this initiative, students from programmes such as **M.Sc., MBA, MCA, B.Sc., B.Tech., and BBA** will undergo a **12-day structured training programme**. After the completion of training, eligible students will also receive **placement opportunities** through Magic Bus Foundation.

The **first phase** of the programme will begin on Monday at **Kanya Gurukul Campus** for final-year students of **MA, M.Sc., and MBA**.

On this occasion, **Prof. Vipul Sharma, Registrar**, expressed that this initiative is a significant step toward enhancing students' personality development and employability. He appreciated the efforts of the Placement Team and Dr. Suyash Bhardwaj, emphasizing that such collaborations help strengthen the relationship between academia and industry.

The **Chancellor of the University, Prof. Hemlata**, also conveyed her happiness and congratulated the team. She stated that such training programmes prepare students to excel in competitive environments and reflect the university's commitment to promoting academic as well as professional excellence.
