

## Report on Successful Completion of - **Tata STRIVE Training Programme**

**Gurukula Kangri Deemed to be University, Haridwar**

**18<sup>th</sup> September 2025**

Approximately **150 students** of Gurukula Kangri Deemed to be University, Haridwar, have successfully completed the **Tata STRIVE Training Programme**. The programme was designed specifically for final-year students of the **Mechanical, Electrical, Computer Science, and Electronics** departments.

The one-month training was conducted in a **blended mode (online and offline)**. It featured expert sessions from **Tata and Bajaj professionals**, along with several video sessions delivered by industry experts. Throughout the training, students were guided on the latest **industrial trends, soft skills, and essential aspects of career development**, helping them strengthen their professional readiness.

**Dr. Suyash Bhardwaj**, Training & Placement Officer of the university, served as the programme coordinator and played a key role in organizing and overseeing the entire training process. Departmental placement coordinators—**Mr. Mayank Pokhriyal, Mr. Anuj Sharma, and Mr. Gajendra Singh Rawat**—also made significant contributions to the success of this initiative.

**Prof. Vipul Sharma**, Dean and Registrar, appreciated the team's efforts and stated that such industry-linked training programmes equip students to face real-world challenges effectively while enhancing their employability.

**Prof. Mayank Agarwal**, Head of the Department of Computer Science, congratulated the

students and emphasized the importance of continuous learning in today's fast-evolving technological environment.

This achievement reflects the university's ongoing commitment to fostering industry collaborations aimed at empowering students not only academically but also professionally, ensuring they are well-prepared for their future careers.
