

Digital Entrepreneurs Workshop Successfully Conducted at Government Polytechnic Dugadda on 9 March 2026

A highly informative and engaging **Digital Entrepreneurs Workshop** was successfully conducted on 9 March 2026 at **Government Polytechnic Dugadda**. The program witnessed enthusiastic participation from **more than 100 students**, making it a vibrant and impactful academic event.

The workshop aimed to create awareness about **digital entrepreneurship** and to encourage students to explore **technology-driven career opportunities** for the betterment of society. The event focused on equipping young minds with knowledge of emerging technologies and inspiring them to use these tools for innovation and social development.

The expert lecture was delivered by **Dr. Suyash Bhardwaj**, who addressed students on the latest technological advancements and current trends shaping the digital world. In his session, he introduced participants to domains such as **Artificial Intelligence (AI), Machine Learning (ML), Internet of Things (IoT), Cybersecurity, and other emerging technologies**, explaining their real-world applications and future potential.

Dr. Bhardwaj also delivered a motivational talk emphasizing the role of technology in societal development. He highlighted that technology should not only be seen as a career option but also as a means to bring positive change in society. He remarked, *“Technology has the power to transform lives. When used with the right intention, it can solve real-world problems and contribute to the welfare of society.”* He encouraged students to think innovatively, identify local problems, and develop technological solutions that can benefit communities.

The session was highly interactive, with students actively participating and raising thoughtful questions regarding technological advancements in India, career opportunities in emerging fields, and the practical implementation of digital ideas. The question-and-answer round reflected the curiosity and enthusiasm of the participants, making the session dynamic and engaging.

The program was graced by the presence of the Principal of the institute, **Mr. Govind**, who felicitated Dr. Suyash Bhardwaj in recognition of his valuable contribution. In his address, he appreciated the initiative and encouraged students to actively participate in such workshops to enhance their knowledge and skills. He stated that such programs play a crucial role in preparing students for the rapidly evolving technological landscape.

The participants expressed their satisfaction with the workshop, noting that it provided them with valuable insights into modern technologies and inspired them to explore entrepreneurship. Many students shared that the session motivated them to think beyond conventional career paths and consider innovative and technology-driven solutions.

The workshop concluded on a positive note, with a vote of thanks to the speaker and organizers. Overall, the Digital Entrepreneurs Workshop proved to be a **great success**, effectively fostering awareness, motivation, and entrepreneurial thinking among students, and contributing to the development of a technologically empowered and socially responsible youth.
