

## Workshop On Latest Technologies on 13th February 2026

A workshop on “Latest Technologies” was successfully organized on 13th February 2026 at the Faculty of Engineering and Technologies. The session was conducted by the distinguished speaker, Dr. Suyash Bhardwaj, who shared his extensive knowledge and expertise on emerging trends in the field of technology. The primary objective of the workshop was to familiarize students with the latest advancements such as Artificial Intelligence, Machine Learning, Internet of Things (IoT), and modern developments in data science. Dr. Bhardwaj presented the topics in a clear and engaging manner, making it easy for students to understand complex concepts and their real-world applications.

During the session, the speaker emphasized the importance of staying updated with technological innovations and encouraged students to continuously upgrade their skills to meet industry demands. The workshop was highly interactive, with students actively participating in discussions and asking insightful questions. Dr. Bhardwaj also provided guidance on career opportunities and future prospects in various technological domains. Overall, the workshop was informative and inspiring, leaving a positive impact on the participants and motivating them to explore and adopt the latest technologies in their academic and professional journeys.

Workshop on Latest Technologies.  
Speaker: Dr. Suresh Sir.
