

Workshop on AI, ML and robotics on 17th February 2026

A workshop on the topic of Artificial Intelligence (AI), Machine Learning (ML), and Robotics was organized by Sofcon India Pvt. Limited on 17th February 2026 at the Faculty of Engineering and Technologies. The session was conducted by Mr. Vikash Saxena from the Placement Cell, who shared his expertise and provided valuable insights into these rapidly evolving technological domains. The primary objective of the workshop was to introduce students to the fundamentals and real-world applications of AI, ML, and robotics, and to highlight their growing importance in various industries. The speaker explained key concepts in a simple and engaging manner, enabling students to grasp complex ideas with ease.

During the session, Mr. Vikash Saxena emphasized the importance of acquiring practical skills and staying updated with the latest technological advancements to remain competitive in the job market. He also discussed various career opportunities available in AI, ML, and robotics, along with guidance on how students can prepare themselves through training programs, internships, and certifications. The workshop was highly interactive, with students actively participating in discussions and raising queries about future career prospects. Overall, the workshop proved to be informative and inspiring, encouraging students to explore emerging technologies and develop skills relevant to the modern technological landscape.
