OFFICE OF THE NODAL OFFICER – EAT RIGHT INDIA MOVEMENT
CIRCULAR / ADVERTISEMENT

Date: March 06, 2026

To: All Deans of Faculties / Heads of Departments

Subject: Invitation to Participate in the “Eat Right Youth Hackathon – Uttarakhand 2026”

Dear Colleagues and Students,

As part of the nationwide **Eat Right India** movement initiated by FSSAI, we are proud to announce the **Eat Right Youth Hackathon 2026**. This is a prestigious state-wide platform for students to showcase innovative solutions for food safety, healthy nutrition, and sustainable farming. We invite the brilliant minds of Gurukula Kangri to step forward and tackle the real-world challenges of our food ecosystem.

THEMES FOR INNOVATION:

1. **Eat Safe:** Tech-based detection of food adulteration and hygiene monitoring.
2. **Eat Healthy:** Innovations in bio-fortification, traditional superfoods, and lifestyle nutrition.
3. **Eat Sustainable:** Solutions for zero-waste kitchens, organic micro-farming, and eco-friendly packaging.

WHY PARTICIPATE?

- **Grand Prizes:** Awards worth up to ₹1.5 Lakh, ₹1 Lakh, and ₹75,000.
- **Recognition:** Certificates from the State Health Department and FSSAI.
- **Incubation:** Opportunity to convert your idea into a real-world startup.
- **National Impact:** Contribute to making Uttarakhand a "100% Organic and Healthy State."

KEY DETAILS:

- **Eligibility:** All Undergraduate, Postgraduate, and PhD students (Teams of 3–5).
- **Final Presentation Venue:** Dehradun (Top teams from the University will be nominated).

CALL TO ACTION FOR DEPT. HEADS:

We request all Heads and Deans to circulate this among students and encourage the formation of interdisciplinary teams (e.g., Science, Agriculture, Engineering, and Management).

For Registration Contact: Dr. Nitin Kamboj Nodal Officer, Eat Right Youth Hackathon Gurukula Kangri (Deemed to be University), Haridwar ☎ **Phone:** +91-9358574711

✉ **Email:** nkamboj@gkv.ac.in
