

Campus Network

Gurukula Kangri (Deemed to be University) has campus network and Wi-Fi facility with 1 Gbps NKN connectivity. Computer centre acts as a Point of Presence (PoP). Almost entire campus (100 % area) is covered with a high-speed backbone bandwidth > 100 Mbps. The connectivity from main campus to Kanya Gurukula Campus and Faculty of Engineering & Technology Campus (FET) Haridwar is provided through radio link.

The university provides Wi-Fi facility in hostels, supported by a mix of wired LAN and Wi-Fi in departments/computer labs.
