From Dean's Pen...

At the Faculty of Management Studies (FMS) and the Department of Management Studies (DMS), we are committed to nurturing the overall personality of future leaders and fostering their development as good human beings. We take pride in offering a range of management courses designed to serve diverse sections of society, driven by a mission to make the world a more peaceful and meaningful place to live.

Our alumni are the backbone of our institution, serving as a vital bridge between academia and industry. Wherever they go and whatever they achieve, one thing remains constant: their enduring connection with FMS and DMS. This relationship strengthens the bond between our faculties, students, and alumni, enhancing our placement records year after year. Over the past few years, FMS and DMS have distinguished themselves as leading business schools through continuous advancements in teaching methodologies and dedicated efforts to groom students. A hallmark of a great educational institution is its ability to unlock the latent potential of its students, ensuring their holistic development. At FMS and DMS, we embrace the philosophy that a balance of work, play, and learning creates a more enriching educational experience. Hence, we emphasize learning-driven teaching rather than traditional pedagogical methods. Believing that today's young minds will shape the policies of tomorrow, FMS and DMS provide students with opportunities to explore innovative tools and techniques to sharpen their skills. In today's intellectual, technical, and competitive environment, being intuitive, creative, and communicative is crucial for success. To prepare our students for these demands, we regularly organize conferences, symposiums, business quizzes, poster-making contests, and various outreach programs. These initiatives encourage out-of-the-box thinking and empower our students to tackle future challenges with intelligence and poise. FMS and DMS remain committed to their mission of fostering the intellectual growth and personal development of every student, ensuring they emerge as competent professionals and responsible global citizens.

Prof. Surekha Rana
Head & Dean

The Faculty of Management Studies (FMS) and the Department of Management Studies (DMS) at Gurukula Kangri (Deemed to be University), Haridwar, have been at the forefront of management education since their inception in 1996. Over the years, FMS and DMS have evolved into vibrant academic centers committed to nurturing competent, ethical, and visionary professionals who can navigate the complexities of the global business environment with confidence and integrity.

The Faculty offers a comprehensive range of programs that blend academic rigor with industry relevance. These include postgraduate programs in MBA and MBA in Business Economics, along with a four-year BBA (Honors) undergraduate program aligned with the NEP 2020 guidelines since 2022–23. In addition, the Faculty conducts certificate courses in emerging and value-based areas such as Sales Management and The Art of Happiness, designed to enhance both professional and personal growth. Admissions to these programs are through national-level examinations such as CUET, CAT, MAT, CMAT, GMAT and University Level Entrance Exam ensuring merit-based selection and academic excellence.

FMS and DMS also offer Ph.D. programs in Management, further enriching their research culture and academic contributions. The institutions emphasize innovation-driven learning, entrepreneurship, and leadership development, equipping students to meet dynamic industry challenges. Beyond academics, they promote research, consultancy, and managerial excellence, supported by state-of-the-art infrastructure, including Wi-Fi-enabled classrooms, digital resources, and video conferencing facilities. Over the decades, FMS and DMS have earned a reputation as premier institutions for teaching, research, and consulting. Their distinguished alumni hold leadership positions in top national and multinational organizations, exemplifying the Faculty's enduring legacy of excellence. FMS/DMS continues to provide an inspiring environment that fosters learning, innovation, and holistic development, treating every student as an invaluable asset and shaping them into responsible global citizens.

Infrastructure

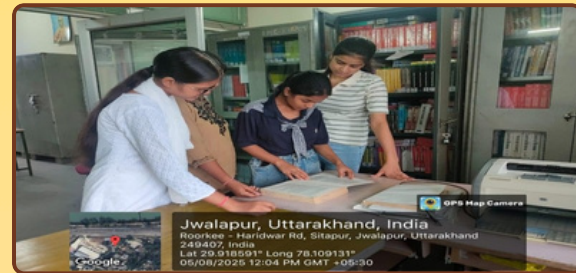

The FMS and DMS is equipped with modern and well-developed infrastructure designed to support academic excellence, practical learning, and overall student development. The department offers a fully Wi-Fi-enabled environment, ensuring seamless internet connectivity for students, faculty, and researchers to access digital resources, online databases, and learning platforms at all times.

A key highlight of the department is its spacious conference hall with a seating capacity of 120 individuals. This hall serves as a hub for academic seminars, workshops, guest lectures, conferences, and student presentations, fostering intellectual exchange and professional exposure. In addition, the department houses a well-equipped communication and business lab that enables students to enhance their interpersonal, managerial, and analytical skills through practical training and simulations.

The presence of a dedicated presentation room provides students with a professional setting to develop and showcase their presentation and public speaking abilities, which are essential for managerial careers. The department also features smart classrooms fitted with advanced smart boards and audio-visual aids, creating an interactive and technology-driven teaching-learning environment. These classrooms facilitate engaging lectures, case study discussions, and multimedia-based instruction.

To support academic research and continuous learning, the department maintains a well-stocked departmental library. It offers a rich collection of textbooks, reference materials, journals, and other academic resources relevant to management studies.

The infrastructure of the Faculty of Management Studies is designed to integrate technology with education, ensuring that students receive a comprehensive, practical, and industry-oriented learning experience.

Discover Haridwar – Gateway to the Divine

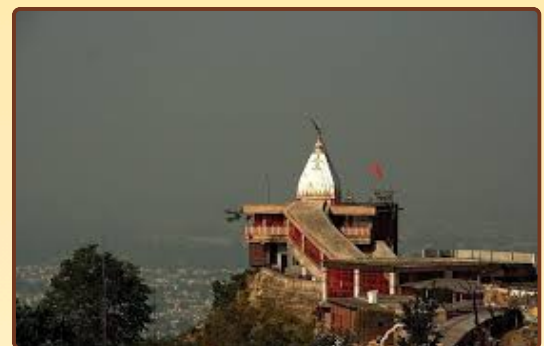

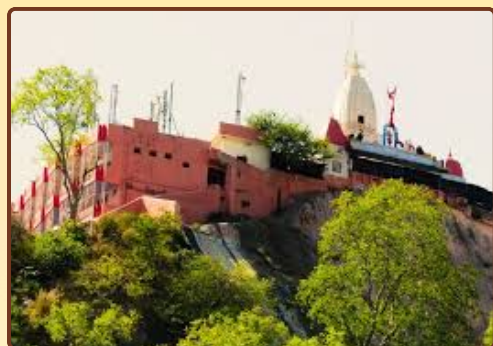

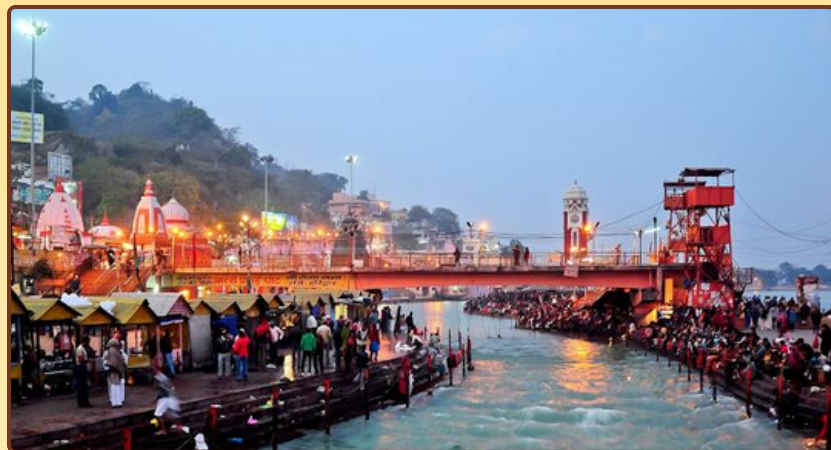

Nestled in the foothills of the Himalayas, Haridwar is one of India’s most revered spiritual destinations and a vibrant hub of culture, tradition, and natural beauty. Known as the “Gateway to the Gods,” Haridwar offers a unique blend of serenity and dynamism, making it an ideal place for academic growth and personal transformation.

The sacred River Ganga flows gracefully through the city, creating an atmosphere of peace and positivity. The iconic Har Ki Pauri is the spiritual heart of Haridwar, where the mesmerizing Ganga Aarti every evening fills the air with devotion and energy. Students living here experience a deeply enriching environment rooted in Indian heritage and values.

Beyond its spiritual significance, Haridwar is well-connected and rapidly developing. It offers excellent infrastructure, modern amenities, and proximity to major cities like Dehradun and Rishikesh- the global capital of yoga. The presence of reputed educational institutions, research centers, and industrial hubs makes Haridwar a growing center for education and innovation.

Nature lovers will find Haridwar equally inspiring. The nearby Rajaji National Park offers rich biodiversity, while the surrounding hills provide opportunities for adventure, trekking, and rejuvenation. The city’s clean and green environment enhances the overall quality of student life.

Choosing Haridwar means embracing a lifestyle that balances academic excellence with spiritual well-being and cultural richness. It is not just a place to study—it is a place to grow, explore, and discover your true potential in an inspiring and holistic environment.
