The following observations recommendations were made:

1. The meeting was held to review and approve the curriculum for the B.Tech (Working Professional) Third Year and B.Tech Fourth Year programs.
2. During the discussion on the B.Tech (Working Professional) curriculum, Dr. Mani Madhukar highlighted the increasing significance of Artificial Intelligence in the current technological landscape and recommended that students should be allowed to use AI tools as part of their learning process to understand how AI responds to and solves problems. The same was incorporated in syllabus.
3. Percentage change in syllabus for working professional using formula: $\{(\text{subject Added} - \text{Subject Removed} + \text{Subject Revised}) / \text{Total Subjects}\} * 100 = \{(28 - 0 + 0) / 28\} * 100 = 100\%$ (New Syllabus).
4. Percentage change in syllabus for B.Tech. CSE Regular (VII & VIII Sem) using formula: $\{(\text{subject Added} - \text{Subject Removed} + \text{Subject Revised}) / \text{Total Subjects}\} * 100 = \{(2 - 0 + 0) / 26\} * 100 = 7.69\%$ (New Syllabus)
