

National Conference

(21st July 2026, Tuesday)

ORGANIZED BY DEPARTMENT OF BOTANY AND MICROBIOLOGY

Faculty of Life Sciences, GURUKULA KANGRI SAMVISHWAVIDYALAYA, Haridwar

THEME: Bioprospecting: Indian Ethnobotanical Wealth & Vedic Microbiology

Sub-Theme: 1) Vedic Microbiology and Modern Biotechnology
2) Bioprospecting of Medicinal Plants 3) Microbial Diversity and Sustainable Agriculture 4) Traditional Knowledge and Healthcare
5) Community-based Conservation of Biodiversity.

Hybrid Mode

REGISTRATION FEE-
Faculty Members- ₹500
Research Scholars- ₹200
PG/UG students- ₹100
ABSTRACT SUBMISSION
vineet.vishnoi@gkv.ac.in

ABOUT CONFERENCE

This national conference serves as a pivotal forum for integrating India's profound ethnobotanical heritage with the precision of modern biotechnological research. By exploring the nexus of "Vedic Microbiology"—a field pioneered through the study of ancient texts like the Charaka Samhita—and contemporary microbiology, the conference aims to validate traditional knowledge through rigorous scientific inquiry. We seek to harness the vast potential of Indian biodiversity, ranging from medicinal plants to indigenous agricultural practices, environmental purification methods, such as the application of Agnihotra. to address 21st-century challenges like antibiotic resistance, environmental pollution, and food security. The event brings together academicians, researchers, and industry experts to foster interdisciplinary collaboration and drive sustainable innovation.

VENUE

Microbiology Seminar Hall
Department of Botany and Microbiology
Inaugural Ceremony - 10.00 AM
Valedictory Function- 04:00 PM

Chief Patron

Prof. Pratibha Mehta Luthra
Hon'ble Vice-Chancellor, GK(DU).

Patron

Prof. Satyadev Nigmalankar, Registrar, GK(DU)
Prof. Namita Joshi, *Dean Faculty of Life Sciences*

Chairman: Prof. Mukesh Kumar

Coordinator: Prof. Navneet

Convenor: Dr. Verinder Virk

CO-Convenor: Dr. Suhas, *Director, R&D*
Dr. Sandeep Kumar

Organizing Secretary: Dr. Kartikey Kumar Gupta

Co-Organizing Secretary: Dr. Harish Chandra

Members Organizing Committee:

Dr. Vineet Vishnoi, Dr. Chiranjib Banerjee, Dr. Kalpana Sagar

ABOUT ORGANIZERS

Gurukula Kangri Samvishwavidyalaya was founded in 1902 by Swami Shradhanand Ji with the sole aim to revive the ancient Indian system of education (Gurukula). Since its inception, it has been in the forefront for innovation, quality and improvement in higher education and research

The Department was established in 1962 and is engaged in teaching at UG and PG levels and offering courses MSc Microbiology, MSc Botany, BSc. Ind. Microbiology (H), BSc. Botany (H). and BSc Biology group(CBZ). More than 30 books and 400 research papers have been published in different journals of national and international repute. The department is well equipped with PCR, Gel Electrophoresis, HPLC, UV-VIS Spectrophotometer, Gas Chromatograph, Lyophilizer, Fermentor, ELISA Reader, etc.
