

Report of English Speaking Skill Enhancement classes held from 22nd August to the 31st of August 2022

A ten day long workshop on Speaking Skill Enhancement was held from the 22nd of August to the 31st of August 2022 by the Department of English Kanya Gurukul Campus Dehradun ,as part of Personality Development Programme organised by Psychology Department of the Campus .In the programme the students were taught about the different aspects of speaking skills like Effective Communication and the Types and Barriers of Communication by Prof.Hemalatha K.

Dr.Reena Verma explained the practical aspects of Communication like the importance of acquiring and improving one's vocabulary, and also taught the participants picture description for enhancing Speaking skills.The importance of demonstration and gestures, eye contact along with proper listening for better speaking was also explained through activities..All students participated in different activities like conversation between two partners and learnt to introduce each other. They understood how they could improve communication by focusing more on fluency and vocabulary in order to create a great impact. The topic of Stress and Intonation was explained by Professor Hemalatha K. who clarified the concept of syllable and stress on words and sentences.

Ms.Bandana explained the different methods and ways of enhancing speaking skills by watching videos, movies, listening to news, reading newspapers, books and so on. On the last day the students displayed their skills by means of a role play presentation. The participants wrote the dialogues themselves according to the situations given to them for the role play.
