September, 05, 2023. Dehradun. The English Department of Kanya Gurukul Campus organized a hybrid mode lecture on “The Use of ICT in Research” by Prof. Manoj Kumar, Department of English & Modern European Languages, Allahabad University. It was attended by all the students, staff and Research Scholars of the Campus offline & online. 35 research scholars joined the lecture online and near about 80 were present offline. Prof. Manoj explained how ICT tools can be used in Review of Literature, for writing assistance, for grammar and paraphrasing, for citations, for qualitative and quantitative analysis. He explained that while it is a useful tool for research it has to be used with caution because sometimes AI software can replace our thoughts and ideas with its own. The lecture was enlightening and students would definitely benefit by it. Dr. Reena Verma introduced the speaker and Prof. Hemalatha K. proposed the vote of thanks.
