About the Conference

Psychology Beyond Boundaries | 6th October 2026

The National Conference on “Psychology Beyond Boundaries: Interdisciplinary Pathways to Human Flourishing and Well-being” aims to bring together academicians, researchers, mental health professionals, practitioners, and students to explore interdisciplinary approaches to psychological well-being and human flourishing.

The conference seeks to foster meaningful dialogue on contemporary psychological challenges, indigenous knowledge systems, technological advancements, holistic interventions, and evidence-based practices that promote well-being across individuals, families, and communities.

It provides a vibrant platform for sharing research, exchanging ideas, and advancing innovative solutions for a healthier, more inclusive, and resilient society

Hosted in Hybrid Mode — attend in person at Haridwar or join online
